Homelessness in Chester County at one point in time.
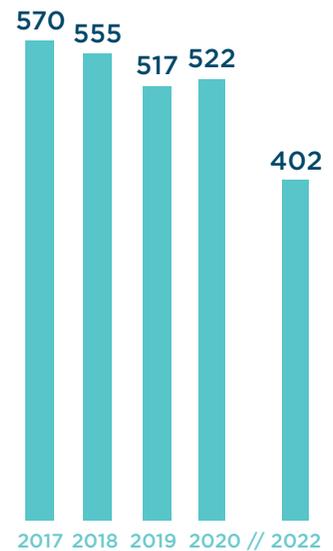

On the evening of January 26 and early hours of January 27, 2022, the Chester County Department of Community Development (DCD) facilitated the annual Point-in-Time Count.* The purpose of this initiative is to determine the number of people currently experiencing homelessness on a given night, to better understand homelessness in Chester County and across the nation, and to support the Chester County Partnership to End Homelessness' efforts to prevent and end homelessness.
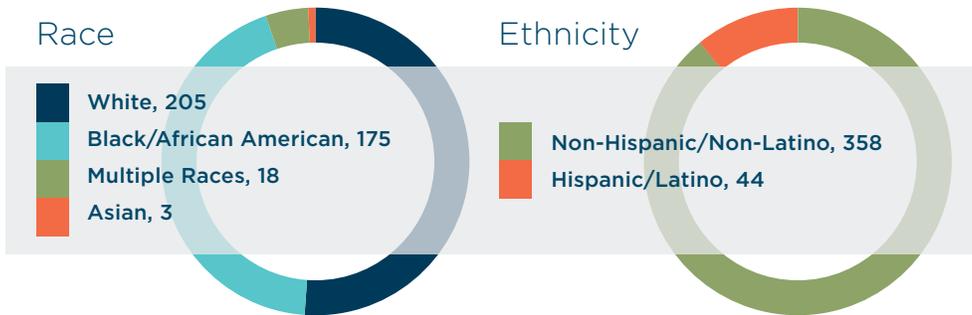

402

people were experiencing homelessness in Chester County on January 26, 2022.

Race

- White, 205
- Black/African American, 175
- Multiple Races, 18
- Asian, 3

Homelessness Over the Last 5 Years**

**In 2021, Chester County did not conduct a comprehensive Point-in-Time Count due to COVID-19.*

35%
(or 146) individuals identify as female

42%
(or 168) individuals in families with children

25%
(or 99) children under age 18

This is a national effort sponsored by the U.S. Department of Housing and Urban Development (HUD) and data from the count is included in the Annual Homeless Assessment Report (AHAR), which is presented to Congress.
